To Whom It May Concern

It is my pleasure to recommend Mr. Akshat Lal, who served as a research intern for the Ancient World Gallery project at the Chhatrapati Shivaji Maharaj Vastu Sangrahalaya (CSMVS), Mumbai, from June 5 to July 5, 2024. During his tenure, Akshat demonstrated exceptional dedication, analytical skills, and a keen understanding of ancient world cultures, contributing valuable research to the project. His ability to work independently and collaboratively, along with his attention to detail, made him an asset to our team. I am confident that he will excel in his future academic pursuits and professional endeavours.

Sincerely,

Ms. Joyoti Roy
